

“Discover How My Unique Programs Of Comedy, Magic, And Mindreading, Will Make Your Company’s Award Banquet, Picnic, or Christmas Party Unforgettable, Entertaining, And Fun”

Dear Party Organizer:

Making your company’s special event party memorable is a difficult task. You want it to be **fun** and **extra special** – all while staying within a budget.

What Really Makes a Company Award Banquet, Picnic, or Christmas Party Unforgettable?

Quality entertainment that gets everyone involved and keeps them laughing and having a good time is one of the major keys to making your event dynamic and impressive.

But there are so many options from which to choose. Do you hire a band? A disk jockey? A piano player? A speaker? It’s frustrating to try and figure out something that will please everyone isn’t it?

Bringing You The Unique Solution

My name is Frank Klein and I am a professional magician who specializes in helping make corporate events **memorable** and **fun**. My clients include Ampex, Philip Morris, Litton Data Systems, TRW, United Technologies, Hewlett-Packard, GTE Federal Systems, USAA, Ford Microelectronics, and many, many more.

So why should you have **me** entertain at your special party?

Five Times More Fun Than With Any Other Corporate Entertainer!

Sure, there are a lot of good entertainers out there... BUT not one of them even comes close to offering such total entertainment experience. Expect the following:

1. **Comedy.** You’ll be thrilled as you hear your guests **laugh** and see all the **smiles** during the comical situations in my magical entertainment programs.
2. **Audience Participation: More Than You can “Shake A Stick At”.** Are there some important people you want to make sure I include in the show? No problem. Just let me know who they are and I’ll make sure they get involved. All participants are treated with respect but we do have a good time with them!

“From our point of view, we appreciated your professionalism. It helps us a great deal to know we can count on someone! You can be sure that we’ll contact you again!” – Rocky Mountain Electrical League

In addition, your CEO (or executive chosen by you) can perform an amazing illusion that I promise you will make him/her a hit of the show!

- 3. Unbelievable Magic & Mind-reading.** Even after you see this you won't believe it. You'll be left scratching your head and wondering if what you saw was real!

"Now look, we're all college graduates, but how the hell did you do that?" – Federal Express

- 4. Romance.** Couples have actually become engaged, on stage, during their participation in an illusion.

"I appreciate your professional conduct, enthusiasm and commitment in making this event a success. I wish to take this opportunity also to unequivocally give my recommendation to others who may be interested in your services." – Ramtron Corporation

- 5. Surprise & Amazement.** The magic and mind-reading will grab and focus your attention as the impossible happens right before your eyes.

"Your presentation was a huge success! Several members approached me after the meeting to express how much they enjoyed your magic show." – National Association of Accountants

- 6. Suspense.** The mystery of what is taking place will maintain your interest, and thereby increase your delight.

- 7. Class & Experience.** The whole setting is a cut above... stands apart from the rest. Frank has been presenting magical entertainment programs for numerous corporate special events at the Broadmoor Hotel for over twelve years.

Choose From Three Entertainment Packages Guaranteed To Make Your Event More Fun, More Memorable, More Incredible, More Dynamic, And More Enjoyable Than Ever Before...

THE BRONZE PACKAGE

"They laughed when I told them I could tell the future but their laughter turned to amazement after I showed them my prediction..."

This enchanting, fun, and intimate form of **"walk around"** entertainment is perfect for cocktail parties or as before dinner entertainment.

One of the important factors in creating a really special event is to make sure that your guests start having fun right away...minutes after they arrive.

You'll be delighted as you hear the gasps of amazement and laughter as your guests are entertained with their own 5 to 7 minute shows which include super fun mental magic and amazing feats of close-up "in your face" illusions.

THE SILVER PACKAGE

“An after dinner show that amazes people, and keeps them laughing at the comedy situations which develop!”

Should this much fun be banned? A 45 minute stage show, “Illusions of Impossibility and Magic of the Mind” that includes amazing magic, baffling demonstrations of E.S.P., comedy, and tons of audience interaction, plus....

A Knock Your Socks Off Prediction
(If you're not wearing socks, this can be painful!)

Weeks before the show, a deck of cards is mailed to one of your employees. They are instructed to shuffle the deck several times, then to remove one playing card without looking at it, and to place the card in an envelope, seal it, and to bring the envelope (and deck) to the party. During the show **YOUR CEO** performs an incredible feat of mentalism. He reveals a prediction that **MATCHES THE CARD!** You'll not only be stunned but also delighted when you hear the “oohs” and “ahs” coming from everyone.

Imagine Your CEO...Holding An Audience Spellbound With His Very Own Feat of ESP!
(You won't believe it yourself.)

THE GOLD PACKAGE

“The best of both worlds... An incredible entertainment combination!”

This **deluxe combination** package includes one hour of Frank's walk-around magic and mind-reading and the complete 45 minute “Illusions of Impossibility and Magic of the Mind” after dinner show. It is an ideal partnership that will make your important party or event extra, extra special!

P.S. What my clients say about my show is MUCH more important than what I say. Please take a moment to read the following “review” of my show. I’ll get great results like this for you too...

“Frank Klein is a marvel. His fast-paced, sophisticated magical entertainment, laced with comic interludes was an unqualified hit at our recent company party. His incredible feats of magic were a subject for conversation among our employees for many days afterward.

Frank has remarkable ability to deeply involve his audience, both volunteers and spectators, in a most engaging and exciting way. Just a few moments of his dazzling wizardry and witty patter were enough to rivet the attention of everyone in the room. And once he had the attention, his timing, humor, and extraordinary skills never let it go until the final mind-boggling feat was finished. I would recommend Frank Klein without reservation to any group or company in search of sure-fire entertainment that will create a lasting memory and extremely positive reactions in all who experience it”. – Fertig Construction Company
